Eye Balk, 1969

Ed Paschke (American, 1939-2004) Eye Balk, 1969 oil on canvas signed right center and verso 38 1/2 x 27 1/2 Catalog Note: Paschke used Vern Fuller's 1968 Topps trading card to create the central imagery for this painting. Fuller was a second and third baseman for the Cleveland Indians from 1964 to 1970. The three repeated zombie faces are based on Tor Johnson's portrayal of Inspector Daniel Clay in Ed Wood's cult sci-fi/horror classic, Plan 9 from Outer Space, 1957, which was also Bela Lugosi's last film.

Estimate: \$15,000–25,000
