GUSTAV STICKLEY

Inlaid table

USA, c. 1907 | maple, copper, ebony, fruitwood

30 h x 30 w x 20 d in (76 x 76 x 51 cm)

This Harvey Ellis-influenced table features a curly maple top with decorative inlay over one blind drawer. Red manufacturer's decal to drawer 'Als ik kan Gustav Stickley' with joiner's compass and paper manufacturer's label 'Als ik kan Gustav Stickley Craftsman Workshops Eastwood New York'.

Provenance: Important Private Collection

Condition: Very good condition. The top has been nicely refinished and shows a small veneer repair to one corner. The base in its original finish shows minor scuffs and wear consistent with age, with a couple very minor hairline separations towards one corner of leg and apron, which remain stable. Table is structurally sound and presents very well. Please note this work may require the buyer to obtain a CITES permit to export out of the United States. Due to increased scrutiny regarding the issuance of CITES certificates, we cannot guarantee an export permit will be granted.

Price: \$18500
